

ARTICULATION AGREEMENT

College of DuPage (COD) and Illinois Institute of Technology, School of Applied Technology (IITSAT)

Illinois Institute of Technology, School of Applied Technology: **Bachelor of Information Technology & Management**

College of DuPage: **Associates Degree**, Computer Information Systems / Applied Science

Effective Date: December 20, 2018

Review Date: two years from date of execution

This document establishes a formal articulation agreement between the College of DuPage (COD) and the Illinois Institute of Technology, School of Applied Technology (IITSAT), two information technology degree programs. Agreement to this alliance requires a commitment by both institutions to facilitate the transfer of associate degree conferred students into a baccalaureate degree program without jeopardizing the intended mission and stated goals of either institution.

The College of DuPage (COD) and the Illinois Institute of Technology, School of Applied Technology (IITSAT) agree that students, who choose to earn an associate's degree and transfer to IIT to earn a Bachelor of Information Technology & Management degree, should be provided with a smooth curriculum transition that minimizes loss of credit and duplication of coursework.

Terms of the Agreement:

COD and IITSAT agree that any student who has completed the minimum requirements outlined below may transfer the course credits indicated on the attached articulation guide toward the articulated IITSAT major. The bachelor's degree graduation requirements for students who follow this articulation agreement are as follows:

1. Complete the program at COD as specified on the attached articulation guide and complete the coordinated program of study.
2. Courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to IITSAT. The student must have a minimum cumulative GPA of 3.0 for admission to IITSAT.
3. General education courses in math and the sciences may be needed to fulfill the degree along with other core component classes and can be transferred following the IIT transfer policy.
4. The SAT Bachelor of Information Technology & Management degree requires a total of 127 credit hours.
5. Students will need to complete a minimum of 59 credits for the Bachelor of Information Technology and Management degree at IIT. Refer to tables below for specific transfer information.
6. In order for credits to transfer, the student must have completed the COD Associates Degree in Computer Information Systems / Applied Science within the last five years of being admitted to IIT.
7. IITSAT and COD agree to communicate annually any curriculum changes or policies which affect their relationship. The parties reserve the right to amend or revise this agreement by mutual consent. Either party may terminate this agreement by December 31 of any given year but must honor it for students already participating.

EXECUTED AS FOLLOWS:

Dr. Ann Rondeau
President, College of Dupage

**College of
DuPage**

Dr. Mark Curtis-Chávez
Provost, College of Dupage

**College of
DuPage**

Date

Computer Information Systems (CIS.AAS.SOFTW) C++ and Java Emphasis only

| COD COURSE | TITLE | IIT EQUIVALENT |
|------------------------------------|---|--|
| Placement in Third Year IIT | | |
| ENGLI 1105 (3) | Workplace Writing | ITM 300 |
| MATH 1635 (3) | Statistics | BUS 221 |
| MATH 2115 (3) | Discrete Mathematics | MATH 180 or MATH 230 |
| CIS 1150 (3) | Understand Computers/Information/ Systems | ITM 100 (only if CIS 1110 is also completed) |
| CIS 1450 (3) | Introduction to Linux/Unix Operating Systems | ITMO 456 |
| CIS 2330 (3) | Introduction to XML | ITMD Elective |
| CIS 2541 (4) | C++ Language Programming | ITM 312 |
| CIS 2542 (4) | Advanced C++ with Data Structure Applications | ITMD 412 |
| CIS 2571 (4) | Introduction to Java | ITM 311 |
| CIS 2572 (4) | Collections in Java | ITMD 411 |
| CIS 2770 (3) | Introduction to System Analysis and Design | ITMD Elective |
| CIS 2790 (3) | Systems Analyst Simulation | ITMD Elective |

Notes:

Transfer credit can be granted for additional CIS courses as per <http://www.itm.iit.edu/data/COD-ITMTransferEvaluation2018.pdf>.

CIS courses not included here may be transferred as free or technical electives.

Students are advised to take 1 year of Mathematics and at least 2 semesters of science in the same subject area.
