

General Advising Information

Fall 2023 student registration access will be activated according to your current standing—determined by credit hours completed—and the following schedule:

1. Mon, April 3, 8:30am: Student athletes, ROTC students, and students with disabilities
2. Tues, April 4, 8:30am: Graduate & U5 (5th Year Undergrad) & U4 (4th Year Undergrad) registration starts
3. Wed, April 5, 8:30am: U3 (3rd Year Undergrad) registration starts
4. Thurs, April 6, 8:30am: U2 (2nd Year Undergrad) registration starts
5. Fri, April 7, 8:30am: U1 (1st Year Undergrad), exchange, visiting, and non-degree student registration starts

Student class standing for registration is based on earned hours, which does not include classes taken in the Spring 2023 semester.

Fall 2023 class schedules are officially available Monday March 20. You can view the class schedule either in the MyIIT Academics tab or in the “quick links” on www.iit.edu; you can also use the “secret faculty version” of the schedule at <https://wildfly-prd.iit.edu/coursestatusreport/>; just select your subjects from the drop-down box. In order to see **ALL** ITM courses using MyIIT drop-down menus, you must hold down your CTRL key and select Information Tech and Mgmt, ITM Development, ITM Management, ITM Operations, ITM Security & ITM Theory and Technology.

Advising for Fall will take place either live or online and is generally by appointment only. Remote advising information for each undergraduate adviser is provided below. You cannot make advising appointments during class times, and please don't expect to get advising by “catching your adviser after class.” PLEASE MAKE AN APPOINTMENT FOR FALL ADVISING SOMETIME BEFORE THE END OF THE SEMESTER! (Yes, I'm yelling.) If you wait until August you probably won't get the classes you want or need.

All courses are on standard university scheduling this term, so most evening courses are to 6:25 pm to 9:05 pm, and there are no 8:05 am classes.

For Professor Trygstad's Advisees: You may schedule an appointment at <https://trygstad.youcanbook.me> but please ensure you log into the Google Meet at or before your scheduled time in order to be fair to your fellow students. Monday and Friday advising is *online only* and Friday advising is *very unlikely*. Oh and by the way, I wrote these notes so I am responsible for them.

Professor Trygstad Fall 2023 Advising Google Meet:

URL: <https://meet.google.com/bjt-cvwh-uib> | Code for mobile apps: [bjtcvwhuib](https://www.bjtcvwhuib.com)

Phone Number: 630.447.9009 (In-person or Google Meet is preferred)

Monday appointments will be via Google meet **only**. You cannot make an appointment during my *scheduled office hours* (3 pm – 5 pm Thursday) or on Fridays. **During office hours just come to my office, or log into the Meet and say something so I hear you are there as I may not be on that screen.** On Fridays you can check to see if I am logged into the Meet—if I am not it means I am working or are in meetings and am not available. Evening advising is unlikely but can only be arranged by appointment via email.

For Professor Hajek's Advisees: You can make an appointment with Professor Hajek at <https://hajek.youcanbook.me>.

Professor Hajek Fall 2023 Advising Google Meet

URL: <https://meet.google.com/kif-efci-kjy> | Code for mobile apps: [kifefcikjy](https://www.kifefcikjy.com) | Please make sure you are logged into your @hawk.iit.edu email, otherwise Google Meet will give you a message that you are waiting for an invite—but there is no way for Professor Hajek to see the invite or let you in.

Phone Number: 630.296.4012 (In-person or Google Meet is preferred)

Professor Hajek is available Tuesday through Thursday afternoons and Friday mornings, and can be available by prior arrangement for advising on Mondays.

For Professor Pappademetriou's (Professor Billy's) Advisees: You can make an appointment with Professor Billy at <https://professorbilly.youcanbook.me>. When you schedule an appointment, you will be given a link for the ZOOM session between him and you. Please do not give this link out, as it is a special link that only belongs to and works for you!

Phone Number: 331-209-5999 (Professor Billy really prefers the student send email instead of calling, including information needed, for faster return time.)

Professor Billy will generally be available for remote advising on Tuesday, Wednesday late afternoon and early evening, Thursday, and Friday. Wednesday late afternoon and early evening he is at Mies Campus and may be available for in-person advising.

MATH for BITM Undergrads

BITM students may register for **PSYC 203, Undergraduate Statistics for Behavioral Science** which includes a lab using R, or **MATH 225 Introductory Statistics** which is largely the same course as PSYC 203 without the lab. If you are minoring in Psychology you must take PSYC 203. Alternatively you can wait for Spring and register for **BUS 221 Business Statistics** or **MATH 425 Statistical Methods** which are not being offered this semester.

MATH for BSACIT Undergrads

First-year students should register for **MATH 148 Preparation for Calculus** or **MATH 151 Calculus I** based on your Illinois Tech Math Placement, or **MATH 151 Calculus II** if you have completed **MATH 151**. Students who have completed calculus I & II (MATH 151 & 152) should take **MATH 251 Multivariate and Vector Calculus**.

ITM First Year Undergraduate (Freshman) Advising

All ITM first-year students need to take a Natural Science/Engineering elective which this semester should be **PHYS 200 Energy, Waves, Materials, & Forces**.

All ITM first-year students should also take an introductory Humanities course, **HUM 200, 202, or 204**, or **COM 101** if required.

Most of your classmates in other majors will be taking an Introduction to the Profession (ITP) course numbered 100 (i.e. CS 100, CAE 100, ME 100, etc.) but our course, **ITMT 330**, is taken in the first semester of your second year. Instead you'll probably take ITM 301 Intro to Hardware and Operating Systems I or ITM 303 Intro to Hardware and Operating Systems II—which despite being I and II do NOT need to be taken sequentially, and ITM 311 Intro to Software Development (Java) or ITM 313 Intro to Open Source Programming (Python). ITM 301 and 303 serve some ITM-specific ITP purposes.

ITM Current Second Year Undergraduate (Sophomore) Advising

All second year students must register for **ITMT 330 Introduction to Information Systems and the IT Profession** in the Fall semester. (This course was formerly known as ITM 100.) If you've completed ITM 311 or CS 116 or CS 201 **and** ITM 313 or CS 331, you need to take **ITMD 411** if you have not done so already.

Second year students who have completed three semesters at IIT or who already have over 60 hours of credit may want to consider applying for the Co-Terminal Degree program, which would allow you to earn a Master's degree while you are an undergraduate; speak with your adviser for more details.

Minors: Sophomore (U-2) Bachelor of Information Technology and Management students who entered the program as first year undergraduates (freshmen) need to start thinking about a minor, as completion of a minor is required in your ITM program. It can be anything you want—we do think it's amazing to see someone in IT minor in philosophy—but you really need to start thinking about this. An interesting minor with a strong relationship to ITM is Supply Chain Management. Psychology is the most popular ITM minor, and the computer science minors are next. If you minor in Psychology you can count PSYC 203 Undergraduate Statistics for Behavioral Science as both a minor course and as your Math Statistics elective. At the discretion of your Adviser, you may be able to count a CS or INTM course as both a minor course and as an ITM elective. One course—but one only!—taken in your minor can also count as a Core Curriculum or major Course or can be counted in two minors. Bachelor of Science students are not required to complete a minor, nor are transfer student or students who changed majors with more than 30 hours of credit transferred or completed.

The following Computer Science minors are available to ITM students:

- Minor in Artificial Intelligence
- Minor in Computer Architecture
- Minor in Computer Networking
- Minor in Computer Science
- Minor in Database Management
- Minor in Operating Systems
- Minor in Programming Languages
- Minor in Software Engineering

Because of the way the minors in CS are constructed there are some good opportunities for ITM students. CS 200 is waived for ITM students so you can select another CS elective in its place—more learning! And we have confirmed that ITM students can use their 12 hours of free electives to complete a double minor in CS, because CS 331 can be used in both minors. Suggested double minors could be:

- Minors in Artificial Intelligence and Software Engineering
- Minors in Computer Science and Software Engineering
- Minors in Operating Systems and Software Engineering
- Minors in Programming Languages and Software Engineering

ITM minors are not available to ITM students because the requirement for a minor is 15 hours or more taken in a subject *outside* of your major department. Instead Bachelor of Information Technology and Management students can do one or more specializations within your major based on your selection of your elective courses. Specialization choices are listed in the *Bulletin* at <https://bulletin.iit.edu/undergraduate/colleges/computing/information-technology-management/bachelor-information-technology-management/#specializationstextcontainer>.

ITM Current Third Year Undergraduate (Junior) Advising

Third Year BITM students who entered the program as first year undergraduates (freshmen) should plan to register for a minor course since completion of a minor is required in your ITM program. (See the minor discussion above for more details about minors.) Also, **transfer students** who have completed a semester at IIT may want to consider entering the Co-Terminal Degree program, which would allow you to earn a Master's degree while you are an undergraduate; speak with your adviser for more details. **All transfer students who have completed ITM 301 or ITM 303 and ITM 311 or 313 must register for ITMT 330 Introduction to Information Systems and the IT Profession** if you have not already taken it. (This course was formerly known as ITM 100.)

Humanities (H) Core Curriculum Elective Selection

Here are Professor Trygstad's recommendations for Upper-Level Humanities General Education electives for Fall 2023 with my reasons. We can't promise a course will be good; we're just trying to highlight the courses we believe would be of the most interest to ITM students. And there are a LARGE number of courses we think will interest you this term. There are both evening and online humanities courses offered, and some are both, so if you work full-time, grab an evening course while you can! All courses are at Mies Campus or online, and most sections now have 25 seats. All course data follows the format:

CRN/Course Number/Days-Time/# of Seats/Bldg-Room/Instructor

Media & Globalization: Very topical for students in ITM.

15183/COM 353-01/Tues-Thurs 11:25am-12:40pm/25/Mies/Mohamed El Marzouki

Persuasion: How does the media try to mold your thoughts and bend you to the will of the influencers? Great instructor and TWO sections.

15726/COM 371-01/Mon-Wed 1:50pm-3:05pm/25/Mies/Gregory Pulliam

15727/COM 371-02/Mon-Wed 5:00pm-6:15pm/25/Mies/Gregory Pulliam

Mass Media and Society: History and structure of mass media and their influences on American society. Great instructor.

15728/COM 372-01/Tues-Thurs 3:15pm-4:30pm/25/Mies/Gregory Pulliam

Social Media and Society: Social effects of information technology. **An online evening course.**

14467/COM 382-01/Mon-Wed 7:50pm-9:05pm/25/Internet/Xiaoqian Li

Language Theory in Natural Language Process: An important aspect of artificial intelligence from a very different perspective.

15419/COM 380-02/Mon-Wed 11:25am-12:40pm/25/Mies/Hannah Muller

World Regions and Cultures: Good course taught by a consistent favorite of ITM students. **Evening course!**

14450/HIST 302-01/Thurs 6:25pm-9:05pm/25/Mies-/Val Martin

The City in World History: Again, Val Martin. **Another evening course.**

11894/HIST 351-01/Mon 6:25pm-9:05pm/25/Mies-/Val Martin

Prohibition Chicago: Really interesting course, plus she is the University Archivist and Campus Historian at Illinois Tech. **An early evening course.**

15731/HIST 353-01/3 / Mon-Wed 5:00pm-6:15pm/25/Mies-/Mindy Pugh

History and Historiography: How history is formed and recorded. Fascinating to me and might be to you. And it's an **early evening online** course!

14460/HIST 380-01/3 /Thurs 5:00pm-7:50pm/25/Internet-/Mar Hicks

Fundamentals of Game Design: Key course in the Game Design minor, or an interesting course if just need a humanities elective.

15189/HUM 371-01/3/Mon-Wed 11:25am-12:40pm/22/Mies/Carly Kocurek

Religion and Social Movements: Interesting humanities course **taught online** by a favorite instructor of ITM students.

15736/HUM 380-01/3 /Tues-Thurs 10:00am-11:15am/25/Internet-/Karl Seigfried

Social and Behavioral Science (S) Core Curriculum Elective Selection

Here are Professor Trygstad's recommendations for Social and Behavioral Science Core Curriculum electives for Fall 2023 with my reasons. All courses are at the Mies Campus unless noted otherwise. There are several online social science courses that are not listed here but are in enclosure (1) if you need an online course. All course data follows the format:

CRN/Course Number/Days-Time/# of Seats/Bldg-Room/Instructor

Introduction to Sociology of Space: Really interesting class taught by a *great* instructor, and it has a follow-on upper-level course, SOC 311. An **evening social science course**.

15346/SOC 211-01/Wed 6:25pm-9:05pm/27/Mies -/Ullica Segerstrale

Social Dimension of Science: Interesting class taught by one of the best instructors at IIT. An **evening social science course**.

14195/SOC 301-01/Tues 6:25pm-9:05pm/27/Mies -/Ullica Segerstrale

Global Chicago: A look at Chicago's place on the world stage. Odd time and day but it might work out in your schedule.

I recommend this course however I do not recommend this instructor—but no one else is teaching it.

27641/SSCI 220-01/Fri 10:00am-12:40pm/27/Mies -/Elizabeth Friedman

Geographic Information Systems: A strongly IT-related course; good to have on a resume. Odd time. You can follow it up with SSCI 325.

11833/SSCI 225-01/Mon 1:50pm-4:30pm/27/Mies -/Hao Huang

Industrial Psychology: This course is highly recommended and professionally relevant. Two sections and no prerequisite!

10449/PSYC/301-01/Tues-Thurs 3:15pm-4:30pm/30/Mies -/Robert Keating

10450/PSYC/301-01/Tues-Thurs 5:00pm-6:15pm/30/Mies -/

WARNING We have not listed it, but you may notice that there is an online Social/Behavioral Science elective in the fall term: **ECON 423-02 Economic Analysis of Capital Investments**. We do not recommend this class either live or online, despite the extreme scarcity of online general education electives. This is because experience has shown that if you take this course and four other classes, ECON 423 will be as much work as your other four classes combined. I like John Twombly who teaches ECON 423 and you probably would too—he is an excellent teacher—but his expectations are extremely high as is the workload in his class. If you really need to do a social science elective online AND you are not afraid of hard work (*really hard work*), then GO FOR IT.

Natural Science/Engineering (N) Elective Selection

Here are my recommendations for Natural Science/Engineering General Education electives for Fall 2023 with my reasons. All courses are at the Mies Campus. All course data follows the format:

CRN/Course Number/Days-Time/# of Seats/Bldg-Room/Instructor

Astronomy: If you are completing most of your Natural Science/Engineering requirement through the Engineering Graphics track but need that one course in a different subject, this could be your choice.

11679/PHYS 120-01/Mon-Wed 10:00am-11:15am/40/Mies -/David Gidalevitz

Introduction to Energy, Waves, Materials, & Forces: A four-hour, non-calculus -based physics class. Note the odd time. HIGHLY recommended.

10068/PHYS 200-01/Tues-Thur 11:25am-1:05pm/110/Mies -/Gregory Springer

If you are following the EG sequence for your Natural Science/Engineering requirements, you should note that **EG 325** and **EG 425** are also offered this term.

Fall 2023 Illinois Tech Core Curriculum Elective Listing, Fall 2023 ITM and CS Course Listings, and Summer 2023 Course Listings

We've included a complete list of what we view as all the applicable IIT Core Curriculum courses for the Fall and Summer so you don't have to track them all down yourself. We've also included all ITM undergrad and graduate courses, as well as all Computer Science (CS) and all undergraduate Industrial Technology and Management (INTM) courses. CS courses can apply to any of the several minors offered by the Computer Science Department, and INTM courses can apply to the INTM or Supply Chain minors. Or with adviser permission, CS and/or INTM courses can be taken as ITM electives.

These schedules, as always, are subject to change until the end of the second week of the semester, or for summer terms, the first week.

The course formerly known as ITM 100 is now ITM 330 and should be taken in the Fall by all second-year undergrads and all transfer students who have completed ITM 301 or ITM 303 and ITM 311 or ITM 313. It is a Fall-only class!

ITM "Featured" Electives for Fall 2023

Hot ITM electives for the Fall term. All course data follows the format:

CRN/Course Number/Days-Time/# of Seats/Bldg-Room/Instructor

Web Application Foundations: ITMD 441 is a course replacing ITMD 462 and ITMD 465 in our new Web Development course sequence. Taught by Illinois Tech's Lead Web Developer. <http://www.itm.iit.edu/data/DepartmentalSyllabus/ITMD441ITMD462DepartmentalSyllabus.pdf>

15205/ITMD 441-01/Tues 6:25pm-9:05pm/15/Mies/Brian Bailey

15206/ITMD 441-02/Internet/10/Online/Brian Bailey

Front-End Web Development: ITMD 443 is a new course in our new Web Development course sequence. If you took ITMD 442 and are looking for the next course, this is it. <http://www.itm.iit.edu/data/DepartmentalSyllabus/ITMD443ITMD442DepartmentalSyllabus.pdf>

15305/ITMD 442-01/Thurs 6:25-9:05pm/15/Mies/

15306/ITMD 442-02/Internet/10/Online/

Shell Scripting for System Administration: Shell scripting in BASH, Perl, and Powershell to ease sysadmin tasks in all of the major operating systems.

Taught by Sam Shamsuddin—not only an experienced sysadmin but also a martial arts guru and a coach of the U.S. National Pencak Silat Team!

11395/ITMO 417-01/Tues 5:00pm-7:40pm/13/Online/Sam Shamsuddin

11396/ITMO 417-02/Internet/10/Online/Sam Shamsuddin

Cloud Computing Technologies: One of the most sought-after skills for new hires and a true indicator that you are a complete technology professional. Prerequisites are ITMD 411 and ITMO 356.

12113/ITMO 444-V01/Mon-Wed 3:15pm-4:30pm/8/Mies -/Jeremy Hajek

12114/ITMO 444-V02/Internet/6/Online -/Jeremy Hajek

Enterprise End-User System Administration: Administering Windows desktops, clients, and domains. Professor Matuszak holds three degrees from our department.

12219/ITMO 450-01/Thur 6:25pm-9:05pm/14/Mies -/Philip Matuszak

12220/ITMO 450-02/Internet/8/Online -/Philip Matuszak

Open Source Server Administration: Deploying and managing Linux servers in a modern enterprise setting.

15767/ITMO 453-01/Tues 10:00am-11:15am/10/Mies -/Jeremy Hajek

15768/ITMO 453-02/Internet/3/Online/Jeremy Hajek

Database Security: The subject of how to secure enterprise data assets. Prereq is ITMD 321.

11218/ITMS 428-01/Thurs 6:25pm-9:05pm/10/Mies -/Kevin Vaccaro

11219/ITMS 428-02/Internet/7/Online -/Kevin Vaccaro

Vulnerability Analysis & Control: The “ethical hacking” class. Prereq is ITMO 340; ITMO 356 is preferred as well.

12121/ITMS 443-01/Mon/Wed 11:25am-12:40pm/8/Mies -/Marwan Omar

12122/ITMS 443-02/Internet/5/Online -/Marwan Omar

Active Cyber Defense: Ties to CompTIA Cyber Security Analyst+ (CySA+) curricula.

15309/ITMS 446-01/Thur 6:25pm-9:05PM/15/Online -/Louis McHugh

15355/ITMS 446-02/Internet/10/Online -/Louis McHugh

Cyber Security Management is an in-depth look at the program creation, administration and management elements of information security at an enterprise level. It's a required course for ACIT students. Regardless of you major, if you are going to do a Co-Terminal Degree in cybersecurity, select ITMS 578 instead—same time, location, and instructor. If you are only going to take one other cybersecurity course beside the required ITMS 448, this should be the one.

11228/ITMS 478-01/Thurs 6:25pm-9:05pm/8/TBA/Ray Trygstad

11229/ITMS 478-02/Internet/5/Online/Ray Trygstad

ITMS 483 Digital Evidence is required for BSACIT students. This course was previously only offered in the fall but is now moving to the spring.

ITMS courses: There is a very complete set of ITMS courses this term: **ITMS 428, ITMS 443, ITMS 448, ITMS 458, ITMS 478, ITMS 514, and ITMS 588.**

Key Forms from Undergraduate Academic Affairs (UGAA)

Academic Audit Request Form: An academic audit provides a summary of a student's academic status to date and lists the courses to be completed in order to receive a degree. Students can request an official academic audit from the Office of Undergraduate Academic Affairs after they have earned a minimum of 60 semester hours including transfer credit (90 semester hours for Architecture students), and completed at least one semester at Illinois Tech. Audits typically take 7-10 business days to process, but may take longer depending on the time of the semester. This is the form you need to submit if you want to know what you have left to do to graduate. <https://iit.secure.force.com/form?formid=217960>

Change of Major Request Form: A student who wishes to change or declare a major must complete a Change of Major form. The form will be sent to the department of the intended major for approval. Any change of major that is approved after the Add/Drop deadline will be processed for the following semester. <https://iit.secure.force.com/form?formid=217961>

Change of Status Request Form: Students changing from non-degree status to full-time or part-time degree-seeking status must submit this Change of Status form. Students must have completed at least one semester (12 hours) of relevant coursework at Illinois Tech and must be in good academic standing in order to be eligible for changing their status. <https://iit.secure.force.com/form?formid=217962>

Dual Degree/Double Major Request Form: Students who wish to earn two undergraduate degrees can declare a Dual Degree. Students working towards a Dual Degree must complete 15 hours above and beyond those required for their first degree. Upon graduating, the student will receive two diplomas. (*Psychology is the simplest major to pair with the Bachelor of Information Technology and Management for a dual degree.*)

Students who wish to earn two undergraduate degrees can declare a Double Major. This is different from the Dual Degree listed above. Only students majoring in Applied Analytics, Applied Mathematics, Computer Information Systems, Global Studies, Humanities, and Psychological Science are eligible to declare a Double Major, so this does not apply to students in the Department of Information Technology and Management. Upon graduating, the student will receive one diploma with both degrees posted.

The form will be sent to the department of the intended 2nd major for approval. Any Dual Degree or Double Major that is approved after the Add/Drop deadline will be processed for the following semester. <https://iit.secure.force.com/form?formid=217963>

Leave of Absence Request: Undergraduate degree-seeking students who wish to withdraw from the university with the intention of returning to complete their degree program may apply for a Leave of Absence. All requests for a Leave of Absence begin with the Office of Undergraduate Academic Affairs, and must be submitted by the class withdrawal deadline, which is posted on the [University Calendar](#). Any Leave of Absence submitted after the deadline will be effective the following semester. Exceptions can be made for students due to special circumstances. A leave of absence must last at least one semester, but cannot exceed one academic year. However it may be extended if the proper documentation is submitted. Students must contact the Office of Undergraduate Academic Affairs to schedule an exit interview before the leave is approved. You will be considered part of the IIT community while on a leave and any IIT scholarships will be held until your return. Contact the Office of Financial Aid to discuss how a Leave of Absence will affect federal aid and scholarships. Students on leave will have access to their MyIIT Portal, as long as they login once every six months. If students elected IIT health insurance, they will not lose coverage for the remainder of the academic year. Students may apply for a Leave of Absence through the Undergraduate Academic Affairs box in the Academics tab in the [MyIIT Portal](#). Students completing a Leave of Absence and returning to register for courses at Illinois Tech must complete a [Reinstatement Application](#) (see below.)

Letter of Intent Request Form: Students in their last semester can request a Letter of Intent for prospective employers or graduate schools. The Letter of Intent will state that a student will graduate that semester upon successful completion of that semester's coursework. <https://iit.secure.force.com/form?formid=217966>

Minor Request Form: A minor consists of at least five courses (minimum of 15 credit hours) not required for a degree program. Students who take the standard core curriculum's distribution of courses may apply them toward the requirements of any approved minor. Note that not all minors are applicable to all majors. (Minors are required for Bachelor of Information Technology and Management students unless you are a transfer student or changed majors after completing 30 or more hours.) <https://iit.secure.force.com/form?formid=217964>

Reinstatement Application: All undergraduate students who were not in attendance for at least one semester must submit this application to return to the university. The deadlines for the application are June 15 for the Fall semester, November 15 for the Spring semester or April 15 for the Summer term. <https://iit.secure.force.com/form?formid=217965>

Transfer Credit Petition Form: An undergraduate student registered at Illinois Tech who wishes to enroll at another institution must submit a Transfer Credit Petition Form to the Office of Undergraduate Academic Affairs for approval prior to registration at the other institution. This includes registration at another institution for the summer term. Upon completion of the course, please have your official transcripts sent to Illinois Tech. **This is the only effective form now; the paper or PDF form may not be used any more.** <https://iit.secure.force.com/form?formid=217932>

Links to all of these forms can always be found on the Undergraduate Academic Affairs UGAA Services page at <https://web.iit.edu/ugaa/services>.

Core Curriculum Courses for Information Technology and Management Undergraduates Fall 2023

New 3/20/2023

CRN	Course Code	Course Title	Type	Hrs	Days	Time	Max	Campus	Location	Instructor
Humanities										
11875	AAH 119-01	Hist of World Architecture I	LEC	3	MW	1125 - 1215	125	Mies	-	Hazard, Erin
