Memorandum for the Record to Undergraduate Academic Affairs
Acceptable Accelerated Master's Program Undergraduate/Graduate Degree Combinations

The following Accelerated Master's Program undergraduate/graduate co-terminal degree combinations are always acceptable to the Department of Information Technology and Management.

- Bachelor of Science in Applied Cybersecurity and Information Technology
  Co-Terminal with Master of Cyber Forensics and Security
  - Details on page 22 of http://www.itm.iit.edu/data/ITMUndergraduateStudentInformationFall2020.pdf

- Bachelor of Science in Applied Cybersecurity and Information Technology
  Co-Terminal with Master of Information Technology & Management
  - Details on page 23 of http://www.itm.iit.edu/data/ITMUndergraduateStudentInformationFall2020.pdf

- Bachelor of Science in Applied Cybersecurity and Information Technology
  Co-Terminal with Master of Science in Applied Cybersecurity and Digital Forensics
  - Details on page 24 of http://www.itm.iit.edu/data/ITMUndergraduateStudentInformationFall2020.pdf

- Bachelor of Science in Applied Cybersecurity and Information Technology
  Co-Terminal with Master of Science in Information Technology & Management
  - Details on page 25 of http://www.itm.iit.edu/data/ITMUndergraduateStudentInformationFall2020.pdf

- Bachelor of Science in Computer Science
  Co-Terminal with Master of Information Technology & Management
  Co-Terminal with Master of Cyber Forensics and Security
  Co-Terminal with Master of Science in Information Technology & Management
  Co-Terminal with Master of Science in Applied Cybersecurity and Digital Forensics
  - Shared courses will be Computer Science graduate courses applied to the ITM graduate degree and shared as Computer Science undergraduate electives. Students will be required to complete ITM 301 as an undergraduate free elective. Students entering cybersecurity degrees will also be required to complete ITMO 340 as an undergraduate free elective.

- Bachelor of Science in Computer Information Systems
  Co-Terminal with Master of Information Technology & Management
  - Students should complete the Minor in Information Technology Foundations, substituting ITMO 356 for ITM 311

  Co-Terminal with Master of Cyber Forensics and Security
  - Students should complete the Minor in Cyber Security Foundations, substituting ITMO 340 for ITM 311 and an ITMO 400-level elective for ITMD 411

- Any undergraduate degree with a Minor in Information Technology Foundations
  Co-Terminal with Master of Information Technology & Management

- Any undergraduate degree with a Minor in Cyber Security Foundations
  Co-Terminal with Master of Cyber Forensics and Security

Ray Trygstad
